**O R D E R:**

In the G.O. first read above, orders have been issued delegating the Financial Powers to the Regional Officers and Unit Officers in the State.

2. The Director General & Inspector General of Prisons and Correctional Services, A.P., Hyderabad, vide reference second read above, has stated that due to constant and unprecedented increase in the prisoners population in Jails and over of Sub-Jails administration in the State, the Institutional Officers are forced to purchase the required dietary and other articles in huge quantity to meet the requirements. In case of non-supply of the articles by the Approved Contractors, the Officers have to resort to local purchases from authorized dealers or by calling quotations. The steep rise of market rates many a time has resulted in great financial problem to the Departmental Officers. He has also stated that the value of articles, so purchased locally is more than the financial limits of the Officers of Jail Department and the financial powers delegated to the Officers, viz., Regional Inspectors General of Prisons and Superintendent of Jails, have become inadequate and require immediate enhancement to keep pace with the ever increasing prices. Justice Panduranga Rao Commission of Inquiry, in its Final Report, dated 13-08-1999, has also recommended to the Government that the financial powers of the Prison Officers were fixed long ago which have no relevance to the present day circumstances and therefore those have to be revised.

3. Government after careful examination hereby enhance the Financial Powers of the Regional Officers and Unit Officers as shown in the annexure appended to this Order.
